CONTEST GUIDELINES AND INFO

For over 25 years, Oklahoma's rural electric cooperatives have been sending the state's brightest middle school students to Energy Camp, and now it's YOUR turn! Imagine spending four days of your summer swimming, hiking, and making new friends. You will improve your leadership skills and learn about one of our country's most important industries - rural electrification.

Join us at Canyon Camp near the beautiful Red Rock Canyon just south of Hinton, OK, where you'll experience first-hand the exciting world of rural electricity, watch safety demonstrations, climb a pole, watch a cooperative crew at work, make new friends as well as have some awesome outdoor summer fun!

To apply students will fill out an application and submit it to Kay Electric Cooperative. Judges will choose 4 students to receive an all-expenses-paid trip to Energy Camp located at Canyon Camp in Hinton, Oklahoma May 27 - 30, 2025. Winners will be notified by mail before Kay Electric Cooperative's Annual Youth Banquet. The Youth Banquet will be the evening of Tuesday, February 25, 2025.

Students must be available to attend the Youth Banquet to enter

Applications can be submitted in 3 different ways:

Online at www.kayelectric.coop/youth

By downloading the application and emailing it to

dwhitehead@kayelectric.coop

By mail to:

Kay Electric Cooperative
